HMM...
IT LOOKS LIKE YOU'RE IN TROUBLE TO ME...
HEY.. HEY.. NOT THAT DIFFICULT YOU SAY?
I'VE BEEN TRYING TO SO HARD TO HIT OVER THE TREES...
BUT NOW I'VE LANDED INTO THE BUNKER
LUCKILY IT'S NOT THAT DIFFICULT...
ALL RIGHT
I'LL CHECK OUT THE GREEN

It's not easy to make a recovery off a sunken ball like that !!!
Hey Jiro! Your eyes are right
uh!
Just remember your training from England !!!
He's just some stupid overconfident boy !!!

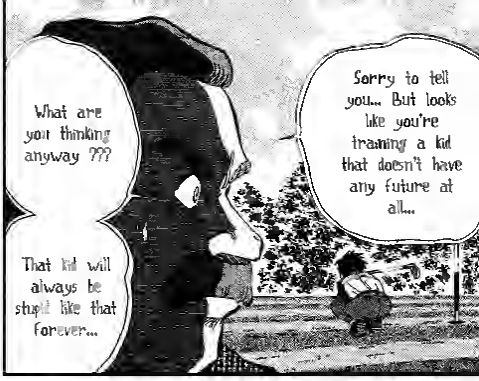
BUT YOUR FACE DIDN'T SHOW THAT WHEN YOU FIRST ARRIVED...
OOOH... THAT'S BECAUSE IT'S SO HARD TO COUNT THE SCORE
HE HE HE
YES !!!
Y...
Mikiyasu Shinjo the Phoenix Open champion...
Wa.. Wait!! If I'm not mistaken you are...
Is that so...
Mmm... I played in that tournament too
Tha.. That's right.. You are him!
But I didn't do as well as you.. I was eliminated at the cut

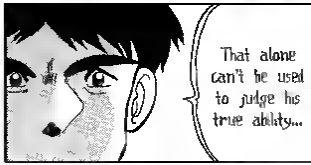
I don't think he looks stupid at all....



What are you thinking anyway ???
That kid will always be stupid like that forever...
Sorry to tell you... But looks like you're training a kid that doesn't have any future at all...

Compared to him, my students landed on the green successfully
The ball managed to go over the trees but it landed in the bunker instead

But that doesn't mean you're qualified to be a coach !!!
YEEAHH !!! Maybe back then you were a famous golfer...
Mikiya-su is going into his backswing

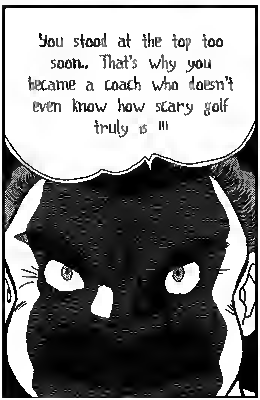


That alone can't be used to judge his true ability...

M.. Me?
YOUR ABILITY !!!
Your ability as a coach needs to be questioned !!!

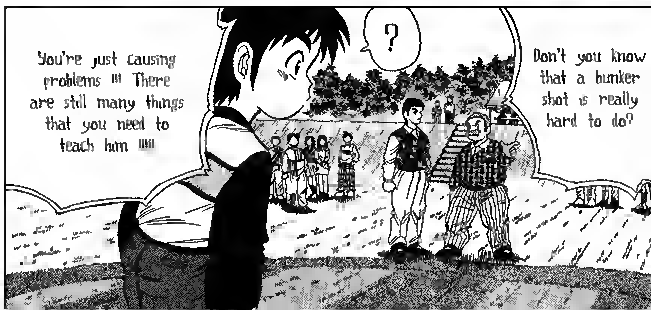
But that proves you're really incapable of being a coach
Looks like you're trying to convince him that a bunker shot like that is easy...
But I know more than anyone how scary golf can be
I failed as a golfer...
That's much easier for him than having to get over the trees within two shots
That kind of shot is easy for that boy...
BUT...
YOU CAN DO THAT EASILY IF YOU HIT IT WITH AN IRON WITH HIGH LOFT...
If you use an 8 or 9-iron anyone could do it
Getting over the trees is hard? HUH?

I DON'T KNOW HOW MANY OF THE ADULTS WHO CAME HERE TO WATCH TODAY KNOW THAT HE MANAGED TO GET IT OVER THE TREES WITH A 6-IRON
TADAMICHI HIT IT WITH A 6-IRON



You stood at the top too soon. That's why you became a coach who doesn't even know how scary golf truly is !!!

It's because there's an incapable and inexperienced coach like you...
Hey !!! Did you hear me ???
that made the tradition of golf slowly disappear !!!



You're just causing problems !!! There are still many things that you need to teach him !!!!
?
Don't you know that a bunker shot is really hard to do?

If need be I will train that kid myself...
So he could become a professional golfer
A feeble coach like you...
I gave everything I had to show the tradition of golf to the children !!!
will just stay quiet and can't do a single thing watching your students break down into pieces...
O..OKAY !!
.....
You're right...
You're right Mr.Dalton..
JUST HIT IT AS YOU LIKE...
WHAT'S WRONG TADAMICHI?

that means my understanding of golf is still shallow...
If that kid fails to make that bunker shot because he's underestimating golf...
SEET
IT'S THE SAME NO MATTER HOW DEEP THE BALL GOES IN...
IF I WIDEN THE STANCE A LITTLE...
I will stop teaching him...
And if that should happen...
That kid will surely fail...
